Stride Sports

Privacy Policy

Information We Collect

When you create an account or place an order we collect your name, email address, phone number, delivery and billing addresses, and your order history. Payment card details are processed by our payment provider and are never stored on Stride Sports servers.

When you use our website we collect technical information such as your IP address, browser type and the pages you visit. If you connect a PacerPro watch to your account we store the training data you choose to sync, such as distance, pace and heart rate.

How We Use Your Information

We use your information to process and deliver orders, handle returns and warranty claims, provide customer support, and prevent fraud. With your consent we also use it to send marketing emails and personalised product recommendations. You can unsubscribe from marketing emails at any time using the link at the bottom of every email.

Sharing Your Information

We never sell your personal information. We share it only with service providers who help us run the business, such as carriers, payment processors and our email provider, and only as much as they need to do their job. We may also share information when required by law.

Cookies

We use essential cookies to keep you signed in and remember your shopping cart. Analytics and advertising cookies are only set if you accept them in the cookie banner. You can change your cookie choices at any time from the Cookie Settings link in the website footer.

Your Rights

You can ask to see the personal information we hold about you, correct it, or have it deleted. To make a request, email privacy@stridesports.example or use the Privacy section of your account. We respond to all requests within 30 days. Deleting your account removes your order history and synced training data, although we keep invoices for 7 years because tax law requires it.

Data Retention and Security

We keep account information for as long as your account is active and for 2 years after your last order. All data is encrypted in transit and at rest, and access is limited to staff who need it for their work.

Children's Privacy

Our website and Stride Club membership are intended for people aged 16 and over. We do not knowingly collect personal information from children. If you believe a child has created an account, contact us and we will delete it.

Changes to This Policy

We may update this policy when our services or the law change. If we make a significant change we will notify you by email at least 14 days before it takes effect. The effective date at the bottom of each page shows when the policy was last updated.

Contact Us

For any privacy question, email privacy@stridesports.example or write to Stride Sports Privacy Team, 100 Harbor Street, Portland, OR 97201, United States. You also have the right to complain to your local data protection authority.
