Returns and Refunds Policy

Return Window

You can return most items within 30 days of delivery for a full refund to the original payment method. Stride Club members get an extended return window of 60 days. The return window starts on the day the carrier marks your parcel as delivered, not the day you placed the order.

Items must be returned in their original condition with all tags attached and in the original packaging. Apparel must be unwashed. We cannot accept returns of items that show signs of use, except under the 30-Day Test Run guarantee described below.

30-Day Test Run Guarantee for Running Shoes

We know you can only judge a running shoe by running in it. Running shoes bought from Stride Sports can be returned within 30 days even if they have been worn outdoors, as long as they have been used for no more than 50 km and are not damaged. This guarantee applies once per customer per calendar year.

Hiking boots, trail shoes and casual sneakers are not covered by the Test Run guarantee and must be returned unworn.

Items That Cannot Be Returned

For hygiene reasons we cannot accept returns of opened socks, underwear, mouthguards or water bottles with a broken seal. Items marked Final Sale on the product page cannot be returned or exchanged. Gift cards are non-refundable.

How to Start a Return

Log in to your account, open My Orders, choose the item and select Start a Return. You will receive a prepaid return label by email. Drop the parcel at any partner post office or parcel locker within 14 days of printing the label. Customers who checked out as a guest can start a return with their order number and email address on the Returns page.

In-store returns are accepted at every Stride Sports shop. Bring the item and your order confirmation; store staff can refund you immediately or issue an exchange.

Return Shipping Costs

Exchanges for a different size or color are free. For refunds, a return shipping fee of 6.95 USD is deducted from your refund. Returns of faulty or incorrectly delivered items are always free.

Refund Timing

Once your return reaches our warehouse we inspect it within 2 business days. Approved refunds are sent to your original payment method and usually appear within 5 to 7 business days, depending on your bank. Refunds for orders paid with a gift card are returned as store credit.

If your return is rejected because the item is used or damaged, we will email you photos and ship the item back to you at no cost.
